SELLING POINTS

- Accurate, authentic and intense flavours.
- Double the concentration of standard brands.
- Half the sweetness (healthier for consumers).
- Water from the French Alps.
- Exceptional yield per bottle (125 portions).
- 1lt bottles not 70cl (more efficient).
- Natural extracts. The highest quality ingredients.
- Syrups with no Fructose or artificial preservatives.
- Over 130 years of creative expertise
- The highest quality premium flavours and aromas.
- Approved by the vegetarian society.

PUMP PORTION GUIDE

Syrup Pump (8ml) = 125 pump portions per 1L
 Sauce Pump (30ml) = 67 pump portions per 2lt
 Recommended dose, 1 pump for hot drinks and 2 pumps for cold drinks subject to taste. Advice based on 225ml / 8floc cup or glass

STORAGE

Ambient storage, in shaded area. Sauces should not be kept cool and may require gentle warmth in cold environments to maintain ease of use. Thoroughly clean pumps before applying to any bottle. Pumps can be depressed and twisted to lock down and seal the bottles.
